

BLADE Fluro Cut 5 Food Glove

Code: BLC5FPO

Features

- Size: S - 3XL
- Unit: Pair
- Pack Qty: 12
- Carton Qty: 120
- Colour: Fluro Orange and Fluro Yellow
- EN388: 354XD
- FDA Approved: Yes
- Fabric Thickness: 10G

Product Details

Summary

The latest in level 5 cut resistant glove technology for the food processing industry. New SHIELD™ Yarn Technology provides exceptional protection, wear and durability in high cut environments. Significant yarn strength allows for multiple laundering with minimal reduction in cut performance. This means that the glove achieves significant cycle rates which reduces glove cost over time and improve cost efficiency.

The BLADE range of food processing gloves incorporate specially developed yarns that have been designed to meet EN388 Cut Level 5 testing after multiple (60+) launders. This high level of cut performance not only ensures that your team is safe for over 60+ uses, but BLADE's superior cycle rates will significantly improve your hand protection investment by reducing your cost over time (MULTI-RATE).

Features:

- 60+ launders and still retains EN388 Cut Level 5
- Newly developed 7 & 10-gauge SHIELD™ yarn technology
- Exceeds Cut Level 5 index by 2.5 times (56+ blade strikes)
- Anatomical Shape
- Multiple colour options
- Metal Detectable (optional)
- FDA & EU approved
- Sanitised for ultra-fresh & anti-microbial protection

- Ultra-high cut performance
- Multi-washable
- Flexible, comfortable & dexterous
- Ambidextrous design
- Elastic Cuff & Seamless Knit

Application:

- Meat processing
- Seafood Processing
- Food Handling
