Code: BLC5NI

### Features

- Size: M - 3XL
- Unit: Pair
- Pack Qty: 12
- Carton Qty: 120
- Coating: Nitrile
- Colour: Grey/Black
- EN388: 4544C
- Liner Fabric: HPPE / Fibreglass

## Product Details

### Summary

This BLADE Industrial glove achieves full EN388 mechanical rating of 4544C. It is superior in terms of abrasion, cut, tear and cut resistance. The nitrile provides superior abrasion and water resistance compared to other coating systems. The glove is ideal for general & heavy industrial use where full blade and point protection is a necessity. Hardwearing and breathable, the glove is perfect where maximum protection is a necessity. The glove can be laundered increasing the products usage rate and life.
