Product Details

Our Armour PVC Sleeve Covers are designed for practicality. These 100% PVC sleeve covers are elasticated at either end, so they remain firmly in place while you work. They are also easy to take on and off.

The heavy-duty PVC material is semi-transparent and will keep your clothes clean while you are wearing the sleeve covers. They measure 35cm in length and are 0.20 millimetres thick. They are the practical and cost-effective solution if you're needing some basic arm protection that'll keep your clothes clean.

Features and Benefits

- 35cm sleeve designed to keep the sleeves of clothing clean while working
- Heavy duty PVC with elastic on either end to hold it in place
