Armour Tig Welding Glove - 40cm

Code: LGTIG

Features

- Unit: Pair
- Size: M, L, XL
- Length: 40cm
- Material: Goat
- EN 388:2016: 2121

Product Details

Pig grain leather glove, front and back, with 100mm split leather cuff. Straight thumb with reinforcing and no seams on the palm/fingers. Not as soft as the Argon glove but becomes softer with use and grain leather still provides for great "feel" and sensitivity. Pigskin has a greater breathability and withstands moisture without stiffening.

Features and Benefits

- Pig grain leather glove with 100mm split leather cuff
- Straight thumb with reinforcing and no seams on the palm/fingers
- Good sensitivity
- Greater breathability and withstands moisture without stiffening.
