Product Details

Summary

Armour® Leather Kevlar Lined Cut 4 Tig Glove is a specialist glove for heat and cut environments.

Grain leather provides for great "feel" and sensitivity and has a greater breath-ability whilst withstanding moisture without stiffening.

Features and Benefits

- Specialist glove for heat and cut environments.
- Kevlar lined for improved contact heat performance to over 250°C with cut 4 protection
- Goat grain leather front and back, with 100mm split leather Red Cuff.
- Straight thumb with reinforcing, no seams on the palm/fingers
- Ideal for a refinery, steel production, and aluminium manufacturing
