Product Details

Summary

This nitrile gauntlet is a reliable solvent resistance glove. It is unlined (flock free) and has outstanding abrasion resistance. It has an anti-slip pattern for grip in wet and dry conditions and offers great sensitivity and dexterity. It is free of ex-tractable Proteins meaning it is compliant with FDA regulations for use in repeated contact with food (Blue and Green colours). The white colour gloves are safe for food handling according to EC. Manufactured under a stringent quality management systems.
