Product Details

Summary

Armour Clip on Earmuffs are our own economy earmuff certified to the highest level of protection.

Features and Benefits

- Class 5 under safety standard AS/NZS 1270.
- The Armour Clip on earmuffs are designed to clip on to safety helmets.
- The large ear cups are foam filled for good attenuation and all day comfort.
- A suitable choice for protection in typical environments with substantial industrial noise such as construction, machinery, airports and agricultural work.
- Helmet attachment format
- New ABS material injection and SNR = 30dB rating
- Foam filled cushions provide a quality noise seal with low pressure.
