- Pack Qty: 1
- Carton Qty: 5
- Size: 180cm x 180cm

Product Details

Our Armour Leather Welding Blankets are made from the highest quality chrome-split leather, making them ideal for industrial use.

They're friendly to human skin and sensitive materials like wood and painted metals. Our blankets use double-stitched Kevlar thread and are made from nine pieces of leather, so you get excellent protection from sparks and splatter.

These blankets are also easy to tie down, as they feature 12 heavy duty metal reinforced holes, so you can keep the blanket perfectly secure while you work.

Our Leather Welding Blankets are one of our most popular products, because they're reliable and are great value for money. If you're needing decent welding blankets, then this is it.
