Armour Industrial PVC Bib Overtrousers

Code: CLPVCBP

Features

- Unit: Each
- Size: S, M, L, XL, 2XL, 3XL, 4XL, 5XL

Product Details

The Armour Bib Over Trousers are meticulously crafted from high-quality PVC, providing the ultimate high-performance waterproofing. Designed to withstand the toughest conditions, whether you're facing high-pressure hoses, battling ocean waves, or enduring driving wind and rain, these over trousers will keep you dry and comfortable.

Constructed with robust PVC-impregnated polyester at a 0.45mm thickness, they offer both durability and flexibility, ensuring complete comfort and freedom of movement. The industrial-weight adjustable shoulder straps with side release buckles provide a secure fit, while the high-frequency welded seams guarantee total waterproof protection. Additionally, a generous inside chest pocket adds convenience, and the trousers' generous fit makes them easy to step in and out of.

Perfect for commercial cleaning, marine, agriculture, horticulture, and contractors, these trousers are designed for ease of care—simply spray down the garment at the end of the day for quick cleaning.
