Armour Yellow Latex Full Coat Glove 27cm - XL

Code: RUYFC4

Features

- Unit: Pair
- Pack Qty: 12
- Carton Qty: 72

Product Details

This glove has a cotton jersey lining with an elasticised knit wrist that is fully dipped multiple times in yellow latex. The crinkle or wrinkle finish provides great grip and abrasion resistance. This glove does not provide as much protection as the Red Rubber glove on the palm, but it has a better "feel" and as it is fully dipped it is more waterproof in wet conditions making it more comfortable to wear.

Also known as the Glass Gripper as it is ideal if glass handling is required. This glove is used extensively in the shellfish industry for handling oysters and paua due to the waterproofness and grip these gloves provide.
