Product Details

The Blue/Grey Latex Open Back Glove is designed for durability and protection in various environments. Featuring a thick rubber coating, it ensures excellent durability and protection, especially in wet conditions. The glove's rough finish on both the front and back provides an exceptional grip, whether you're working in wet or dry conditions. Ideal for general handling tasks, this economy glove offers reliable performance and comfort, making it a practical choice for a wide range of applications..

Features and Benefits

- Thick rubber coating for durability and protection in wet conditions
- A rough finish on both the front and back of the hand provides an exceptional grip in wet or dry conditions
- Economy glove for general handling environments
