Blade Cut 5 Flat Nitrile Glove

Code: BLC5NI

Features

- Unit: Pair
- Size: M, L, XL, 2XL, 3XL
- Coating: Nitrile
- Colour: Grey/Black
- Liner Fabric: HPPE / Fibreglass
- Fabric Thickness: 15 Gauge
- EN 388:2016: 4544C
- Sanitised

Product Details

This BLADE Industrial glove achieves full EN388 mechanical rating of 4544C. It is superior in terms of abrasion, cut, tear and cut resistance. The nitrile provides superior abrasion and water resistance compared to other coating systems. The glove is ideal for general & heavy industrial use where full blade and point protection is a necessity. Hardwearing and breathable, the glove is perfect where maximum protection is a necessity. The glove can be laundered increasing the products usage rate and life.

Features and Benefits

- Multiple laundering while keeps very good performance
- Nitrile finish offers excellent water resistance
- Reinforcing between thumb and forefinger for additional strength and wear
- Excellent resistance to oil and chemicals
- Excellent flexibility and dexterity minimizing hand fatigue
- Breathable back of the hand to keep hands cool while working

Application

- Oil processing and refining
- Electric and Gas utilities
- Automotive industry
