Product Details

<

Introducing the Duty Utility Builder Glove – providing the highest level of performance, comfort and durability, this glove was crafted specifically with the tradesman in mind. Bringing the latest technologies together, the glove design features open index finger and thumb with a reinforced palm. Engineered for optimal performance, this versatile glove is your ultimate partner in every construction scenario.

The DUTY® Utility glove range brings the latest mechanical glove technologies together to ensure optimal performance, protection, and comfort in heavy handling and trade environments. We call this D-TEC. The D-TEC system harnesses advancements in high-performance glove materials and manufacturing techniques to offer a feature-rich hand protection solution tailored specifically for heavy, general, and trade working environments.

Technology Inside

impactTPR

TPR offers flexible impact protection on the back of hand

antiVIBE

Anti-Vibration pads built-in to allow an assured grip and maintain better control

velcroCLOSE

Adjustable velcro wrist closure ensures both easy hand access and a firm comfortable fit

dutySHIELD

Durable materials built-in to high contact areas for glove longevity, durability and performance

pullTABS

Cuff & finger pull tabs for easy glove donning or when removing fingerless glove styles

sweatWIPE

Terry cloth material on back of the thumb for sweat removal in hot environments
