Product Details

Introducing the Duty Utility Handler Glove – simultaneously comfortable and lightweight, this glove is precisionengineered to provide unparalleled levels of dexterity, durability, and comfort. Using the latest technology, the liner design features a synthetic leather palm while still offering a high level of dexterity. Engineered for performance, this agile glove ensures precision in both packing and general handling warehouse tasks.

The DUTY® Utility glove range brings the latest mechanical glove technologies together to ensure optimal performance, protection, and comfort in heavy handling and trade environments. We call this D-TEC. The D-TEC system harnesses advancements in high-performance glove materials and manufacturing techniques to offer a feature-rich hand protection solution tailored specifically for heavy, general, and trade working environments.
