Product Details

Introducing the Duty Utility Granger Glove – crafted specifically for rural and engineering work, this versatile glove provides comfort and durability in demanding conditions. Utilizing the latest technology, the liner design prioritises comfort and agility, reducing hand fatigue without compromising on durability. Featuring a premium goatskin grain leather palm, breathable Nylon Back of Hand, and rolled fingertips, this glove provides superior grip and dexterity.

The DUTY® Utility glove range brings the latest mechanical glove technologies together to ensure optimal performance, protection, and comfort in heavy handling and trade environments. We call this D-TEC. The D-TEC system harnesses advancements in high-performance glove materials and manufacturing techniques to offer a feature-rich hand protection solution tailored specifically for heavy, general, and trade working environments.

Technology Inside

impactTPR

TPR offers flexible impact protection on the back of hand for knuckles & fingers

antiVIBE

Anti-Vibration pads built-in to allow an assured grip and maintain better control
