- Coating Layers: Single
- Coating: Nitrile
- Colour: Orange
- Liner Fabric: Cotton Jersey
- EN 388:2016: 3111

Product Details

Our Yellow/Orange disposable nitrile single dipped glove offers great liquid protection in low chemical environments. It features a closed knit wrist to keep out unwanted materials, and has a cotton jersey lining for added comfort.

Even though you get excellent protection while wearing these gloves, that doesn't mean you have to compromise on dexterity. You can move freely in these gloves, and they are comfortable to wear.

The gloves are 100% latex free, offering a great alternative if you need safety equipment that doesn't use latex.

If you're needing reliable disposable nitrile gloves, then these will do the job. Make sure you order today.

Features and Benefits

- Yellow/Orange nitrile single dipped glove with a cotton jersey lining
- Closed knit wrist to keep off unwanted materials
- Great liquid protection in low chemical environments.
