Armour Full Face Yellow Latex Valve

Code: RRYLV

Features

- Unit: Each
- Pack Qty: 10
- Carton Qty: 100
- Colour: Beige

Product Details

The Full Face Yellow Latex Valve is a vital component for full face respirators, designed to ensure efficient airflow and respiratory protection. Made from high-quality latex, this valve is durable and provides a reliable seal, enhancing the overall performance of the respirator.

Features and Benefits:

- Ensures efficient airflow
- Made from high-quality latex
- Provides a reliable seal
- Compatible with full face respirators
- Enhances respiratory protection
- Increases the overall performance of the respirator
- Durable and long-lasting
- Suitable for various industrial and safety applications
