Armour Half Face Mask & Particulate Cartridge Kit (P2)

Code: RRHM79CKIT

Features

- Unit: Kit
- Size: S, M, L

Product Details

Welcome to Armour's range of reusable respiratory masks, filters, cartridges and accessories. The RRHM79CKIT is a complete particulate filter kitset that includes a silicone half face mask, particulate hard case cartridge filters (P2) and wipes. All these items are contained in a snap lock container for ease of storage and to protect equipment from contamination. Also for certain asbestos tasks (refer to local Government guidelines***) The particulate filter cartridges protect against a range of mechanically and/or thermally generated particles from wood, steel or concrete.

The kit Includes:

- Silicone Half Face Mask
- Particulate Hard Case Cartridge Filter (P2)
- Cleaning wipes
- Sealed in a lockable container ready for use when you need

All Armour reusable respiratory products are tested and approved to meet the following standards:

- Certified AS/NZS 1716:2012
- Certified CE Standard EN143:2000 P3 R
- Certified CE Standard EN143:2000 P2 R
