Code: HPACHH

Features

- Unit: Each
- Colour: Black, Blue, Orange, Red, White, Yellow
- Colour: Black, Orange, Red, White, Yellow
- EN12492

Product Details

The Armour Height Climbing helmet offers full 360° head protection. Designed with the best features for an industrial safety helmet. Offers full head protection for work at height and general site safety. Built to mountaineering certification (EN12492). The climbing helmet is made to last and has provision for all the standard accessories that are needed on the job. The helmet features ten air intakes which provide efficient cooling and ventilation. The air intakes on the outer shell are equipped with a protective nylon mesh that prevents entry of debris into the helmet.

Features and Benefits

- Easy size adjustment system
- 10 air intake vents, aluminum mesh covered to prevent debris entry
- Inner lining fully detachable and washable
- Head lamp holder clips
- 2 slots for mounting ear protection & visor
- Metal free
