Product Details

The Helmet 6 Point Ratchet Closure Insert is a safety accessory designed to enhance the fit and comfort of industrial helmets. It features a six-point suspension system that evenly distributes the helmet's weight, reducing pressure points and providing a secure fit. The ratchet closure mechanism allows for easy, one-handed adjustments, ensuring a snug and customised fit for various head sizes. This insert is ideal for use in construction, manufacturing, and other high-risk environments where head protection is crucial.
