Scope Jet Stream Smoke Titanium Lens Inc Gasket + Strap

Code: 780S

Features

- Unit: Pair
- Pack Qty: 10
- Carton Qty: 200
- AS/NZS 1337.1:2010

Product Details

The JET STREAM is the ultimate full wrap frame that provides superior protection in a sleek and high-quality finish. The 8 base wraparound design is fitted with an EVA dust gasket providing maximum protection against sun, wind, dust, glare, and impact. The anti-slip rubber nose pads provide a secure fit, while the ergonomically designed co-moulded temples comfortably grip and adjust to various head contours. The polycarbonate frames are light-weight, durable and feature a fully adjustable elastic strap that can be easily connected, providing additional comfort and stability.

Features and Benefits

- Exceptional styling with premium finish
- Dual 8 base curve lens
- High impact resistant polycarbonate frame
- Fitted with removable foam gasket
- Co-moulded temple arms with TPR rubber
- Fully adjustable elastic strap included with every pair
- Available in 6 lens options including polarised
- Weight / 38 grams
- AS/NZS 1337.1: 2010 Medium Impact
