Product Details

A modern classic re-engineered, the CROSS FIT is next level and like no other. This cutting-edge design combines trendsetting looks and functionality with geared up safety features. With interchangeable temples that make it easy to switch your look from job site to off-site with just a few clicks and a 3D adjustable rubber nose bridge to provide the ultimate customised fit.

These frames are also Rx ready and can be fitted with an optional prescription adaptor with ease. All CROSS FIT frames come standard with a premium soft touch coating that look and feel great and made available in a range of lens options, including Clear, Smoke, Sky Blue and Red Mirror, Polarised and Smart Vue.
