Product Details

The SPARTAN-X is a premium wide view safety goggle with an optional face shield that can easily be connected to offer full face protection.

The futuristic, low-profile frame design is complemented by advanced indirect ventilation ports, combined with Titanium high-performance lens coating to ensure maximum fog-resistance and crystal clear, distortion-free vision. It also has a soft facial contouring rubber seal that provides exceptional comfort, while the fully adjustable elastic strap allows for a customised and secure fit.

Features and Benefits

- Wide field of view
- Soft TPR face seal with comfort nose bridge
- Titanium High Performance AF/AS lens coating
- Indirect ventilation system
- Removable flip up visor with extended chin guard
- Fully adjustable, pivoted head strap
- Weight / 102 grams
- AS/NZS 1337.1 : 2010
