Hellberg S2C Cap Mount Earmuff - Class 5

Code: 42002-001

Features

- Unit: Pair
- Pack Qty: 1
- Carton Qty: 20
- Colour: Yellow/Black
- AS/NZS 1270:2002

Product Details

- For long term use in medium noise level or shorter periods in high noise level environments
- Best choice in high frequency dominated noise

The SECURE cap mounted earmuff is the ideal choice for any work that requires head and hearing protection. Its durable construction withstands rough environments and the slim design reduces the risk of snagging in branches or confined areas. Available in three protection levels, clearly indicated with bright safety colours for easy identification and selection. "Snap-in" ear cushions with minimal sweat retention and soft foam filling increases the high comfort and are easily replaced.

Features

- Soft ear cushions maintains a high level of comfort protection
- Three slim wearing positions reduce the risk of snagging in confined areas and allow a tight but comfortable seal.
- Colour coding for easy selection and identification
- Smooth telescopic size adjustment
- Fully compatible with Hellberg's SAFE™ Visor System
- Cap mounted style
