Code: 48012-001

Features

- Unit: Pair
- Pack Qty: 1
- Carton Qty: 10

Product Details

Discover unparalleled auditory protection with the Hellberg Safety Xstream MP Headband. This innovative electronic hearing protection device incorporates Multi-Point Bluetooth technology for seamless phone calls and music streaming. Xstream MP even allows simultaneous pairing of two phones, combining work and personal needs.

Experience enhanced sound quality, surpassing even the acclaimed Xstream and Xstream LD models. The battery life is extended to a remarkable 80 hours. This advanced headband introduces a noise-cancelling boom microphone, ensuring crystal-clear communication amidst extreme noise environments. With active listening microphones in each earcup, directional hearing is enhanced, providing natural sound and preserving your ability to perceive conversations, warnings, and essential information while ensuring ultimate protection.

Elevate your auditory experience with the Hellberg Safety Xstream MP Headband - a fusion of protection, communication, and superior sound quality.

Features and Benefits:

- Innovative electronic hearing protection headband with Multi-Point Bluetooth technology.
- Simultaneously pair two phones, offering work and personal connectivity.
- Extended battery life of 80 hours for extended usage.
- Noise-cancelling boom microphone ensures clear communication in extreme noise environments.
- Active listening microphones maintain natural sound and directional hearing, preserving communication and safety.
