Features

- Unit: Each
- Pack Qty: 1
- Carton Qty: 20

Product Details

The Helmet Sweat Band is a practical accessory designed to enhance comfort and hygiene for helmet users. Made from moisture-wicking materials, it effectively absorbs perspiration, keeping sweat from dripping into the eyes and ensuring clear vision. The sweat band is easy to attach and remove, fitting securely around the helmet's suspension system. Its soft, cushioned fabric provides additional padding, making the helmet more comfortable to wear for extended periods.

Features and Benefits
