Code: _HS5LTR

Features

- Unit: Each
- Pack Qty: 1
- Carton Qty: 5
- 5 Ltr

Product Details

Alcohol-free Hand Sanitiser provides rapid, long lasting disinfection and biological cleanliness to all hard working hands.

Comes in in pump container dispenser and 500ml spray or 5 litre carry bottle sizes. This product is the 5 litre carry bottle.

Features and Benefits

- Kills 99.9% of germs, Anti-Bacterial
- Apply, rub and go
- Air dries in seconds - no need to rinse
- Alcohol, Chlorine, triclosan and Fragrance Free
- Provides residual protection
- Use for prevention and for cure
- Non-flammable
- Safe To Use

Safe for use in the vicinity of vulnerable people & children Safe for use in food preparation areas Safe for challenging environments and sensitive equipment When used as directed the high performance antimicrobial formulation coats the skin with a monomolecular layer that continues providing protection long after the initial application.
Regular use ensures sustained broad spectrum pathogen protection.

Alcohol Free Hand Sanitiser is suitable for use in high traffic locations where soap and water are not available or in areas where a higher level of hand sanitisation is required.

The active ingredient Quaternary Ammonium, commonly used in health-care and food-service industries, attacks protein and lipid structures, thwarting the pathogen’s typical mode of infection.
