Code: 840P

Features

- Unit: Pair
- Pack Qty: 10
- Carton Qty: 200
- Medium Impact
- AS/NZS 1337.1: 2010

Product Details

The cutting-edge RANGER delivers the absolute in stylish protection and high performance.

Created to protect workers vision in the toughest of conditions, its high-contour dual-lens design ensures total outdoor protection, while its solid and rugged styling delivers a safety sunglass that looks amazing both on and off the job.

Designed to suit a wide range of face shapes, it features a three-point lens inclination setting for a customised fit, co-injected thermoplastic rubber temples and nose bridge for added comfort and slip resistance.

Finished in a premium soft-touch coating, the RANGER is available in a wide choice of lens options, including mirrored, smoke, polarised and Smart Vue.
