Product Details

The Armour Black Flame Retardant Hood is designed for ultimate protection and comfort. Made from 100% flame retardant material, this hood ensures safety in high-risk environments. It features a 280 GSM cotton drill preshrunk anti-static fabric, providing durability and resistance to static electricity. The Kevlar stitching adds extra strength and resilience, making it suitable for demanding tasks. Available in one size, this hood offers a secure and comfortable fit for all users. Whether you're working in hazardous conditions or need reliable protection, the Armour Black Flame Retardant Hood is an excellent choice.

Features and Benefits

- 100% flame retardant garment
- 280 GSM cotton drill preshrunk anti-static fabric
