Product Details

These premium heavy duty 102cm x 62cm leather aprons are made from a single large piece of leather and have an extra double leather patch on the front for maximum protection and durability.

Features and Benefits

- The patch measures 35cm x 32cm and is kevlar stitched on the front of the apron that extends the life of the garments as it is placed in a high wearing location.
- The adjustable polyethelene neck and waist straps are adjustable.
- This is a premium leather apron for welding or any other heavy duty tasks requiring that extra level of protection.
