Armour Leather Red Welding Glove (Lefties) - 40cm

Code: LGWELDRDL

Features

- Unit: Pair
- Size: XL, 2XL
- Colour: Red
- Length: 40cm
- Material: Cowhide
- EN 388:2016: 4234
- EN 407: 413X4X

Product Details

Premium split leather welding glove made specifically for right hand workers who wear through left hand gloves when welding. One piece back with cotton lining for comfort, welded seams and a reinforced thumb, with double layer of leather between the thumb and forefinger and down the palm. Kevlar stitched so that it resists burning from sparks that causes non kevlar gloves to fall apart when the cotton stitching is burned. Suitable for all welding, engineering and foundry work.

Features and Benefits

- Premium split leather welding glove for left-handed workers
- One-piece back with cotton lining for comfort, welded seams, and a reinforced thumb
- Stitched Kevlar to resist burning
- Suitable for welding, engineering and foundry work
